CVS opens second set of doors in Mokena

by Joseph Hillenmeyer

August 31, 2009 | 01:40 AM

CVS, the flagship of the Rose Plaza property at LaPorte Road and U.S. 45, held its grand opening on Friday, Aug. 28. Village officials and CVS were in agreement that the first CVS, at U.S. 30 and Wolf Road, has been a good fit, and look forward to the success of the newest addition to Mokena's business community.

"It's a great thing to have a CVS," Mayor Joe Werner said. "It's even better to have two."

"We are very excited to be in Mokena, it's just a great place to be," said Booker Thompson, region manager of CVS. "Our other location in Mokena has been a great success and we hope this one will be even more successful."

The location in Mokena was close to being the 7,000th CVS constructed in the nation.

Both Mokena locations have photography and pharmacy departments, as well as liquor departments.
